

ON HIS WAY
TO BOSTONRoosevelt Will Attend Har-
vard Commencement

IS PRES. LOWELL'S GUEST

He Motored from Oyster Bay in His
New Touring Car and Took Train at
Grand Central Station, Shaking
Hands All Around.

New York, June 28.—Although the roads were bad, Theodore Roosevelt covered them from Oyster Bay to this city in forty minutes to-day in his new 30-horsepower touring car. At the Grand Central station, he shook hands with all the porters, engineers and firemen and climbed into the train for Boston. He will arrive in Boston this afternoon and will be the guest of President Lowell of Harvard university to-night. He will attend commencement to-morrow, and will then go to Nahant as the guest of Senator Henry Cabot Lodge until Friday.

On Wednesday, Mr. Roosevelt will preside as president of the Harvard Alumni association, at which position he was recently elected.

VICE PRESIDENT'S WIFE ILL.

Mrs. Sherman in Johns Hopkins Hospital in Serious Condition.

Baltimore, Md., June 28.—The condition of the wife of Vice President Sherman, who is ill at the Johns Hopkins hospital here, is serious.

PUBLIC BUILDINGS BIDS.

Contracts to Be Made at Once Under the
Bill Just Passed.

Washington, D. C., June 28.—Super-
vising Architect of the Treasury Taylor
has begun at once to carry out the pro-
visions of the public buildings bill, which
Congress has just passed. Although this
bill simply authorizes certain construction
and carries but little actual appropriation,
Mr. Taylor said yesterday that he would
go ahead immediately and make contracts
under the terms of the law.

Advertisements for the 270 sites for
public buildings authorized will be issued
without delay. Those for Maryland,
Virginia and Pennsylvania went out on
Sunday. Others will be advertised for
at the rate of about 30 a day. It is
expected that New England will be
reached next week.

ANOTHER CAPTER IN
COOK-PEARY STORY

Suit Against Peary for \$5,000 Damages,
for Confiscation of Furs and Ivory
from Cook, Which He De-
nies.

Berlin, Germany, June 28.—The trial
of the suit of Rudolf Franke against
Robert E. Peary for \$5,000 damages for
the confiscation of skins and ivory be-
longing to Frederick A. Cook at Etah
Berg, began to-day. Ambassador
Hill has engaged counsel for Peary.
Franke says that Peary forced him to
surrender the furs and ivory to get pas-
sage home from Etah, where he was
sick. Peary, who is a good sailor, was
practically worthless and that Franke
ordered him to take them.

FEELS SURE OF HUGHES.

President Taft Thinks He Won't Ac-
cept a Re-nomination.

Washington, D. C., June 28.—President
Taft, in conversation with visitors about
Gov. Hughes, expressed the opinion that
the latter was not at all likely to ac-
cept a re-nomination in New York. "To
save the party," as has been suggested,
that he should do. There is no doubt
in the president's mind that Gov. Hughes
will become a justice of the supreme
court in October, for which position he
has already been nominated by the president
and confirmed by the Senate.

It is known that Gov. Hughes is al-
ready looking for a house in Washing-
ton and that the president has interest-
ed himself in helping the future justice
to obtain a good property in a desirable
location.

FIRBD BULLET AT TRAIN.

Justice Makes an Example of Man Who
Was Drunk.

Poughkeepsie, N. Y., June 28.—Not
less than five or more than ten years
in Sing Sing prison was the sentence
dealt out to Jasper Price yesterday by
Justice Morosini in the supreme
court, because Price had fired a bullet
at a New York Central passenger train.
"This is a grave offense," said the
court, "and the excuse that you were
drunk does not go. People riding on
trains should be protected against dan-
gers of having bullets pass through their
heads. An example must be made in
your case to deter others from such
acts."

KILLS HIS SWEETHEART.

New York Grocer's Clerk Shoots Girl
and Gives Self Up.

New York, June 28.—Because Jennie
Minifie, not quite 18, rejected his at-
tentions, Morris Nathanson, a young
grocer's clerk, lay in wait in the hall-
way of her home last night and shot
her through the heart. She fell dead
at his feet.

Thrusting his revolver in his pocket,
Nathanson walked to a police station
and remarked that he had "killed his
girl." Then he began weeping hyster-
ically and was locked up.

WILD SHOOTING,
ONE MAN STRUCK

Sensational Attempt to Kill Cuban Con-
gressman Ended in Wounding
Another.

Havana, June 28.—A sensational at-
tempt to kill Antonio San Miguel, con-
gressman from Pinar del Rio and editor of
La Esfera, made in the lobby of
Cruzcampo yesterday afternoon, a few
minutes before that body was to open
its session. Congressman Manuel Lores
of Oriente was the assassin. The single
shot he fired went wild, but almost hit
another congressman standing near.

San Miguel was standing in the lobby,
when he was approached by Lores, who
had several friends with him.
Lores whipped out a revolver and fired
at San Miguel at short range. The bul-
let missed its mark but grazed the head
of Congressman Antonio Gonzalez La-
ruza, leader of the Conservative party,
who was standing behind San Miguel.
The latter drew a pistol, but before fur-
ther shots could be exchanged the com-
batants were separated.

The attempted assassination created a
great commotion, and it was some time
before quiet could be restored. The ses-
sion of the House then proceeded. It is
believed that a duel between San Miguel
and Lores is inevitable.

The cause of the murderous attempt
was the attitude of Congressman San
Miguel in denouncing editorially as a
colonial fraud the proposition to ex-
change the Villavieja station of the
Government Railways, on the Prado, for
the government's arsenal lands, of which
scheme Lores and colleagues are ardent
supporters. When the question came
up in the House on June 15, there was
a great scene and pistols were drawn,
whereupon further discussion of the pro-
ject was postponed until yesterday. It
had been placed on yesterday's calendar,
but because of the shooting its discus-
sion was further postponed.

The attempt to kill San Miguel, when
it became generally known, caused in-
tense excitement throughout the city.
Prediction is general that the shooting is
only the preliminary of a bloody fac-
tional feud. Lores was not arrested
on account of his congressional immu-
nity.

ASSUMED THE ROLE
OF A MARTYR

Assassin of Premier Boutros Pasha Ear-
lier in the Year Was Executed
at Cairo, Egypt, To-
day.

Cairo, Egypt, June 28.—Bashim
Wardani, who was hanged to-day, was
the nationalist student who assassinated
Premier Boutros Pasha earlier in the
year. The victim assumed the role of a martyr.
"I die for the cause of Egyptian liberty,"
was his last words. The execution was
severe, the prison being surrounded by
troops, but the expected demonstration
by the nationalists did not occur.

Advertisements for the 270 sites for
public buildings authorized will be issued
without delay. Those for Maryland,
Virginia and Pennsylvania went out on
Sunday. Others will be advertised for
at the rate of about 30 a day. It is
expected that New England will be
reached next week.

PUBLIC IS GULLED.

Demonstrations Given at a Hearing in
New York Yesterday.

New York, June 28.—W. H. Noyes,
a representative of Swift & Co., testified
at a hearing at the city hall yesterday
that in 1909 the New York public paid
\$28,000 for 225,000 pounds of wood
"sprawlers" in its meat.

Retail and wholesale butchers alike
guzzled at the hearing to give their
side of the case. The city authorities
have been trying to remedy short
weights for several weeks and first-hand
information is sought.

Home and bacon weighed before the
scales yesterday showed how the
public is gulled. A ham, including heavy
paper wrapping marked 13½ pounds,
tipped the scales at only 11 pounds, 14
ounces. Another marked 10½ pounds,
weighed 8 pounds, 7 ounces. Similar
shrinking was shown in bacon.

JOHNSON IN GOOD TRIM.

Wager of \$3,000 on Negro-Long Train-
ing Has Not Told on Him.

Rick's Resort, Reno, Nevada, June
28.—Reports emanating from Jeffries' camp
that Johnson lacks speed are ridiculed
by the blacks' trainers. More has
been accomplished than appears.
Johnson has had another day of stren-
uous work, boxing, road and fast foot
work, and to-day there is the first cool
breeze since his arrival. It is believed
he will fight at close to 200 pounds.
Frank Sutton of Pittsburgh has offered
a wager of \$3,000 on Johnson, ten to
four. Long preparation, but the big
black is apparently unconcerned.

FIGURING ON THE ROUNDS.

Some Say Jeffries May Finish It In the
First Round.

Moana Springs, Reno, Nevada, June
28.—Jeffries' trainers reported to-day
that the big fellow is in good shape
but beginning to get cranky. The feel-
ing of optimism that is prevailing is
arousing an unusual degree of activity
in the camp. Armstrong figures the
length of the battle as six rounds. He
thinks it may finish in one should John-
son stand up and fight. Farmer Burns
believes the fight will be finished in five
rounds. Roger Cornell agrees with
Burns, Corbett and Chynski. Jack Jeff-
ries declined to name the number of
rounds but believes Jeff will win a hard
battle.

TROUBLE LESS LIKELY.

Greece, Turkey and Roumania Are Quiet-
ting Down.

Constantinople, June 28.—The occasion
for an eruption between Greece, Turkey
and Roumania is believed to be less
likely, owing to the promise of Greece
to make full indemnity to Roumania for
the looting of a mail boat at Piraeus
ten days ago. The indemnity was de-
manded by both Roumania and Turkey,
and the demand was followed by the
threat of a movement against Greece,
in the event of a refusal.

WANTED MAN
IS IN CANADAMartin J. Walsh to Be Ar-
rested in a Few Days

IN BANK LOOTING CASE

He Is Accused of Complicity with George
W. Coleman in Robbing the Na-
tional City Bank of
Cambridge.

Boston, June 28.—Martin J. Walsh,
for whom the government offered \$200
reward and who is wanted in connec-
tion with the looting of the National
City Bank of Cambridge with George
W. Coleman, has been located in Canada
and his arrest is expected in a day or so.
Walsh was indicted on two separate
indictments, containing respectively 31
and five counts.

The announcement that one of those
severely indicted will be a witness for
the government has caused great con-
sternation among the faro gang and their
friends.

John A. Cuniffe, who was secretly
indicted by the grand jury last week,
appeared before Judge Olt in the United
States circuit court yesterday, charged
with perjury. He was not arraigned,
as his lawyer did not wish to have
him placed until the indictment was ex-
amined.

It is charged that Cuniffe at the trial
of Kellier falsely swore that he went
to the office of the Western Union Tele-
graph company, 100 State street, Feb.
21, with John R. Marshall and saw him
make out a money order for Coleman
and give the clerk \$200. The clerk testi-
fied that Kellier sent the money.

Upon request of Assistant United
States District Attorney Garland, bail
was fixed at \$10,000. Cuniffe's securi-
ties, Jeremiah Sullivan of Brighton and
C. Alfred Wilson of Dorchester, qualified,
and the defendant left the building.

LITTLE BOY DROWNED.

Willie Millette, Aged 5, Died at Pena-
cook, N. H.

Pennacook, N. H., June 28.—Willie Mil-
lette, the 5-year-old son of Charles Mil-
lette, met his death by drowning in the
canal here, late yesterday afternoon. In
company with several other boys of
about his own age, he was playing on
the river bank and lost his balance. The
swift current of the river sucked him
into the canal and the body lodged
against the gates of the canal at Gould's
mill.

The authorities were notified, and af-
ter some twenty minutes' search, the
body was recovered.

The boy had been fishing here with
his father, who is employed at the Har-
ris mill. They had been boating at
Lassater's landing on the canal, and
street. The boy's mother and brothers
and sisters do not live in town, but
are believed to be somewhere in Massa-
chusetts.

FALLS OFF RAFT, DROWNS.

Current Sweeps Woman Away Before
She Can Be Saved.

Farmington, Me., June 28.—News of
another Sunday drowning accident was
received here yesterday. The victim
was Mrs. Henry R. McKinney of Kings-
field, and had been on the scene of the
accident. Mrs. McKinney, who was
with her husband and three or four friends
ventured on the Carrabassett river, but
fell from the falls, on a raft, and Mrs.
McKinney fell overboard.

The current was so swift she was
carried out of sight before an effort
could be made to save her, and her
body was not recovered until three hours
afterward. She was 41 years old.

INSANE OVER BASEBALL.

Charles L. Hight of Haverhill Com-
mitted to Danvers.

Haverhill, Mass., June 28.—Charles L.
Hight of 19 Gilbert avenue is baseball
crazy. The physicians who examined
him reported the facts to Judge Fuller
of the district court yesterday and Hight
was committed to the insane asylum
at Danvers.

Hight believed himself to be a base-
ball manager. He revolved in baseball,
and thought he could play any position
required, could play the game alone and
considered himself the greatest product
of baseball in years.

He also had an idea that he was go-
ing to buy a bright pink automobile,
in which he intended to ride to the
baseball field and dazzle the fans, but
the police spoiled his plans yesterday
when they took him into custody on a
warrant alleging insanity.

BURNS PROBABLY FATAL.

Mrs. Eva Bertitus, Worcester, Poured
Kerosene on the Kitchen Fire.

Worcester, Mass., June 28.—Mrs. Eva
Bertitus, 24 years old, 212 Bloomingdale
road, was fatally burned at her home
while preparing supper last night. Mrs.
Bertitus was trying to light the kitchen
fire in order to get supper, and the wood
failed to catch at her first attempt.

Taking the kerosene oil can, she
poured a quantity on the wood, and a
smoldering spark caused an explosion.
Her clothing caught, and in a few min-
utes she was burned almost to a crisp
from the top of her head to her knees.

A cousin who happened to be in the
house succeeded in extinguishing the
flames, but not until the burns were too
severe to make recovery possible. She
was taken to the city hospital and her
name was immediately placed upon the
dangerous list.

Philander C. House of Bethel, who
was 86 years old last month, takes all
the care of eight sons, and Philander
Baker of that town, aged 87 years, keeps
a first-class garden of his own and takes
care of several others.

MAY BE SENATOR.

Frank L. Greene of St. Albans Likely
to Be Nominated.

St. Albans, June 28.—Franklin county
politics will adjust themselves rapidly
now that the chances have been held
and some of the aspiring candidates
eliminated. For the senatorship, the
names of J. C. Weld of Berkshire, W. S.
Shepardson of Fletcher, C. C. Sheldon
and Lyman H. Felton of Highgate and
that of Col. Frank L. Greene of the
city of St. Albans have been discussed.
In the battle the latter has the advan-
tage. Mr. Weld lost to Philo Ladd by
a majority of 20. Mr. Shepardson car-
ried his town and is morally certain of
the adjacent towns of Fairfax, Bakers-
field and Fairfield and will appear at the
convention with a strong following. The
expected contest in Highgate did not
occur to Mr. Sheldon will be in the race
with several rivals besides those from his
own town.

The city of St. Albans did not inter-
dict its delegation to vote for any particu-
lar man for senator. Colonel Greene,
whose qualifications would make him
one of the strongest figures in the Sen-
ate, and who, many believe, should be
sent there this year to assist in carry-
ing forward the work of the constitu-
tional revision committee, neither could
he would make a canvass for the hon-
or, but there is a strong sentiment in
his favor that may make him a logical
candidate.

For state's attorney, Gaylord F. Ladd
of Highford and George M. Hogan of
the city of St. Albans will be leading
candidates. Mr. Ladd, having defeated
A. R. Rowley in the contest for dele-
gates.

For assistant judges, the only names
mentioned are D. S. Danforth of this
city, who will probably be returned to
again adjust the terms of office, so
as to have one judge of experience hold
over. The other name is that of
E. W. J. Foster of Swanton.

For sheriff, George C. Holmes of High-
gate, will have no opposition, neither
will Judge O. N. Kelton, who is a can-
didate to succeed himself as judge of
probate.

The only office remaining to be filled
is that of high bailiff, held for many
years by George G. Stebbins of Shel-
don, who this year will not be a candi-
date.

WOMEN SAVED FROM FIRE.

Taken Out of Third-story Window When
Cut Off by Flames.

Worcester, Mass., June 28.—Misses
Eva R. and Sarah E. Waite, maiden sis-
ters, living on the third floor of a three-
tenement house at 10 Sycamore street,
were cut off from ordinary means of es-
cape by flames, when the house took fire
last night, and had a thrilling release.
The rear piazza stairs were burned away
before they knew of the fire, and their
cries for help were heard from the front
windows.

Desire Pelletier, 48 Beacon street, heard
the screams and pushed two boys, Har-
gene Guiney, 19, and Thomas Harney,
17, to the second floor over the front
piazza, and then himself crawled to the
third-floor piazza. He lowered the women
to the second floor piazza through a
window, allowing them to drop to the
piazza floor, where the boys prevented
them falling into the street. They were
later rescued by firemen. The two boys
were overcome by smoke.

PROMINENT SPEAKERS.

Vermont School Superintendents' As-
sociation Opens Session at Chester.

Chester, June 28.—About 40 members
of the Vermont School Superintendents'
association, which is in session here this
week, are in attendance. The opening
meeting was held at the Congregational
church last evening. Rev. Henry Crook,
former pastor of the Baptist church,
giving the address of welcome.

The speakers of the day were Hon. W. W.
Smith, superintendent of public institutions
of Maine, who spoke of the obligation
of the state to the personal and adequate
instruction for all children according to
their talents and aptitudes. Hon. David
Snodden, commissioner of education of
Massachusetts, gave an address on in-
dividuality of school children and the obli-
gation of the state to furnish such. Hon. Mason
S. Stone, superintendent of education of
Vermont, will speak during the week.

ROBBERY OF \$17.

Swanton Man Also Lost His Sunday
Dinner Saturday Night.

Swanton, June 28.—There was a bold
hold-up near the high school building
Saturday night about nine o'clock. John
J. Peacock, 21 years old, of Swanton, was
knocked down and relieved of \$17 in
money and a package of meat he had
purchased for the Sunday dinner. Mr.
Peacock claims he recognized two of his
assailants, the third being a stranger.
He says the first thing he knew the
three men closed in on him, one of them
knocked him down with a stick or stone,
then all three pounced on him, went
through his pockets, grabbed his pack-
age of meat and ran. As soon as he
could pull himself together he notified
the officers and they are still trying
to locate the highwaymen.

Between sixty and seventy of the
friends of Mr. and Mrs. John Muir
gathered at their home, 7 Bassett
street Friday evening to remind them of
the 12th anniversary of their marriage.
James McDonald, in behalf of the com-
pany, presented the couple a handsome
20-piece set of glassware and a rocking
chair. Mr. Muir responded with a few
well-chosen words and thanked the com-
pany for their kind visit. The time was
pleasantly spent with music, songs being
rendered by Miss Barbara McDonald and
Duncan McMillan, Jr., and Weston Wal-
ker entertained the company with his
graphophone, the Scotch orchestra of
four pieces also giving a few selections
during the evening.

Office, cake and ice cream were served
by Mrs. A. B. Lund and Mrs. Weston
Walker. The party broke up in the
early morning, all declaring that they
had had a jolly good time and wishing
the host and hostess many more years
of happiness.

OLDEST UMPIRE RETIRES.

Sheridan Has Held the Indicator for
30 Years.

Washington, D. C., June 28.—John F.
Sheridan, of the American League, for
30 years a professional umpire, left yester-
day for Chicago to present his resigna-
tion to President Johnson. Sheridan is
the oldest umpire in point of service
in the country. It is reported among
players that he may be induced to take
a position as chief of umpires, the es-
tablishment of which has been discussed
in the league. For the present he intends
to go to San Jose, Cal., where he has
an undertaking establishment.

GUILTY OF BRIBERY.

Nine Counts Preferred Against Him.
Sentence Deferred.

Salem, Mass., June 28.—Samuel Kress
of Lawrence was found guilty to-day on
nine counts of the bribery of ex-Alder-
man Lapend and Woolfe. Sentence
was deferred.

William McGee, eleven years old, while
in swimming in the river at Winoski,
was washing in shallow water, when he
stumbled and fell upon a sharp stone,
cutting his right hand to the bone.

ONE LEG CRUSHED.

John Abair Was Caught Beneath a
Freight Car.

Roxbury, June 28.—A man by the
name of John Abair of Champlain, N. Y.,
was brought to the city yesterday
and taken to the Mary Fiske hospital,
where one of his legs was amputated
about six inches below the knee. Abair
had been employed at Champlain, where
he is employed by the railroad. He
was caught beneath a freight car.

IS REMANDED
TILL JULY 8Porter Charlton To Be Given
a Hearing on That Date

HE WAS ARRAIGNED TODAY

His Attorneys Promised That No Efforts
Would Be Made to Secure His
Release on Writ of Habeas
Corpus Meanwhile.

Jersey City, N. J., June 28.—Porter
Charlton was arraigned before Judge
Blair to-day and was remanded to the
county jail till July 8, after the prom-
ise from his attorneys that no efforts
would be made to secure his release on
a writ of habeas corpus or lunacy.

Already Charlton had been examined
by the group of celebrated alienists en-
gaged by his father, Judge Paul Char-
lton, to determine his son's mental state,
and Dr. W. J. Asch, who saw the pris-
oner when he was in his state of col-
lapse, declared himself confirmed in the
opinion he had previously expressed that
Charlton was suffering from a form of
dementia. The other alienists had in-
dicated that they would take their time
in examining Charlton and rendering their
opinions but his collapse and the ad-
vice from Italy regarding the extradi-
tition applications are thought likely to
influence a hastened completion of the
examination and a speedier decision.

LADIES PAID WAGER

Because They Were Adjudged Losers in
Chelsea Grange Contest.

Chelsea, June 28.—As a result, sev-
eral weeks ago of a contest between the
gentlemen and ladies of the grange in
the way of furnishing entertainment,
the losing side to furnish a supper, the
ladies gave a bountiful spread at the
grange hall last evening, when there
were fully a hundred present. After
the supper a short program was carried
out, consisting of an interesting paper
by Mrs. W. A. Hood and singing by
several different members of the grange
and Walter S. Goss, who was an in-
vited guest, also favored the company
with two vocal selections, which were
especially well enjoyed. At the grange
meeting on Friday evening of this week
the first and second degrees will be
worked.

At the observance of St. John's day
by the members of George Washington
Jodge, No. 31, F. and A. M., Sunday
evening, a large number of guests were
present, and the town hall was
crowded with spectators. The speaking
by Rev. H. M. Springer of Hartford
and by Rev. Sherman Goodwin of Roy-
ceston was largely listened to, reaching
back into the dark ages coupling the
links and teachings of St. John with
the Masonic fraternal order of the day
in which they lived and tracing the suc-
currence of the order down to the pres-
ent day, laying stress upon the fact
that Masonry stands for the same gen-
eral principles to-day that it stood for
at the inception of its existence.

Their addresses were very much en-
joyed. One of the most interesting
features of the occasion was the singing
by a male quartet, composed of Wal-
ter S. Goss and H. N. Madison of this
town, Leon Skinner of Royceston and
Charles L. Denison of Bethel. Three
appropriate and beautiful selections were
rendered by them which added material-
ly to the enjoyment of and interest in
the occasion.

TWELFTH WEDDING ANNIVERSARY

Observed Friday Evening at Home of Mr.
and Mrs. John Muir.

Between sixty and seventy of the
friends of Mr. and Mrs. John Muir
gathered at their home, 7 Bassett
street Friday evening to remind them of
the 12th anniversary of their marriage.
James McDonald, in behalf of the com-
pany, presented the couple a handsome
20-piece set of glassware and a rocking

well-chosen words and thanked the com-
pany for their kind visit. The time was

of happiness.

HELD ANNUAL PICNIC.

Employees of Stephen & Gerrard Gathered
Saturday at Caledonia Park.

The employees of Stephen & Gerrard
held their annual picnic Saturday last
at Caledonia park. The event proved a
success in every way, the weather be-
ing all that could be desired. Many
thanks should be given the committee
for the manner in which they arranged
matters and looked after them, so that
everybody should have a pleasant time.
After lunch, the married and the single
men had the usual ball game, which en-
ded in victory for the benefactors by the
score of 5 to 2. A feature of the game
was the umpiring of Ed. Murphy. Ask

BIG CROWD EXPECTED

IN MONTPELIER

For the Second District Republican Con-
vention to-morrow and the State
Convention on Thursday.

During the next two days there will
be upwards of 1,000 strangers in Mont-
pelier to participate in the political pow-
ers of the Republican party. The sec-
ond district convention for nominating a
candidate to Congress to succeed Frank
Plumley will be held at the armory to-
morrow afternoon, and that will serve as
an opener for the big show on the fol-
lowing day. Congressman Plumley will
be nominated to succeed himself. He
will address the convention and the work
of that convention should be soon com-
pleted.

The state convention on Thursday
promises to be full of interest from
start to finish. The day will open with
a band concert by the Montpelier Mil-
itary band near the Pavilion hotel, and
the time of that will probably be at
8:30. Afterwards the delegates will con-
vene to the convention hall on Main
street. The floor of the armory will be
given up to the delegates, except for the
space at the rear, in which the public
will be permitted to squeeze itself, as
well as in the gallery. Thirty ushers
have been engaged to seat the people,
being in charge of W. N. Theriault and
Henry Holt of Montpelier. The Mont-
pelier police are also expected to lend
their aid toward keeping order.

The four announced candidates for
governor, John A. Mear of Rutland,
Frederick G. Fleetwood of Morrisville,
James K. Batchelder of Arlington and
M. J. Haggood of Peru are expected to
reach Montpelier to-morrow with their
cohorts of political friends. The prob-
lem of securing quarters for those dele-
gates coming from a distance is rather
serious, as all the accommodations in the
Pavilion, the Montpelier
